

HAPPY NEW YEAR. 2016 IS A SPECIAL YEAR FOR HDG – THE FRUIT CONSULTANTS.

Rob Boogmans, Otto de Groot, Stijn Verstijnen

This year we celebrate HDG's 35th anniversary. In 35 years HDG has become one of the leading fruit inspection and survey companies. There is more news; the founder and owner of the company – Otto de Groot – steps down as CEO. He proudly presents the new management team:

Rob Boogmans (General manager)

After a practical career at a fruit importer, Rob (NIVRE – registered fruit surveyor) joined the company in 1984 and is since 2003 managing director. He is well known for his knowledge of fruit and vegetables.

Drs. Stijn Verstijnen (Commercial director)

Stijn obtained a master degree in business administration at the Erasmus University in Rotterdam and subsequently became a Captain in the Royal Netherlands Marine Corps. In 2011 he became member of the HDG team and specialised in fruit surveying.

Both Rob and Stijn will lead HDG the fruit consultants from January 2016 on.

They are obviously focusing on optimising client satisfaction and integrating the newest technologies into the provided services.

Otto de Groot will remain being the owner of the company and continues to actively assist the new management by carrying out surveys, training staff and further develop client relations.
